

CLOUD BACKUP TO PROTECT M365

Assured Data Protection is a global data backup, business continuity, disaster recovery and threat detection managed service provider. As Rubrik's largest and most established MSP, we provide scalable solutions to customers, MSPs and resellers in more than 40 countries worldwide. We operationalize Rubrik's Zero Trust Security Solutions, delivering data security and protection to customers of any size.

With headquarters in the US and UK, our dedicated team provides 24/7/365 support worldwide to ensure customers can protect, detect and recover critical data and operations with minimum downtime. Assured's managed service solutions are built on Rubrik's Cloud Data Management Platform alongside extended threat detection and response, and our ProtectView management platform to ensure resiliency against data loss, natural disasters and cyber-attacks.
